[DESCRIPTION]

POWER OUTLETS

The BASIX Series range of product represents our entry level socket outlets. For those contractors requiring a competitively priced product for a wide variety of applications, the BASIX Series is value for money. Manufactured from virgin polycarbonate material, it won't yellow or fade over time. Terminals are adequately sized to accommodate multiple cable entries and are made from solid brass, along with brass terminal screws. Socket outlets are 16mm thick and come with a 6 Month Replacement only warranty*.

[FEATURES]

- Polycarbonate Material
- Brass Terminals and Terminal Screws
- Adequately Sized Terminals
- 16mm Thick
- Outlets Available in 25 and 32amp
