[DESCRIPTION]

The IMPACT S Series is the latest in the range of IP66 rated socket outlets that are designed for tough Australian conditions. All socket outlets feature hose proof and dust resistant flaps with automatic snap catch latches. The transparent flap enables instant visual inspection of the socket condition and pin configuration. A new feature of the socket outlet is a unique ID label panel allowing circuit identification. Manufactured from impact resistant material ensures it will withstand harsh treatment in most industrial environments.

[FEATURES]
